

High Schoolers win Water Conservation Awards

Twenty-one videos produced and created by Cobb County high school students will be recognized during waterSmart's "H2O in HD" awards ceremony 6 p.m. today at Southern Polytechnic State University, Marietta.

The competition invited students to create 30-60 second public service announcements. Entries were scored by the Cobb County-Marietta Water Authority, Cobb County Water System, a judge's panel and online voters. The grand prize winner will receive \$1,000 – \$500 for the team and \$500 to the school. Information: www.waterSmart.net.
