

waterSmart waterArt

**As we explore many  
different uses and  
appearances of water, be  
thinking about what these  
images mean to you.**

**What images come to  
mind when thinking  
about water?**

waterSmart

SAVE WATER • SAVE TIME • SAVE MONEY!

**Water can be a powerful source of life and fun. But, water can also be a source of distress.**

**What images come to mind when thinking of water's potential to destroy?**

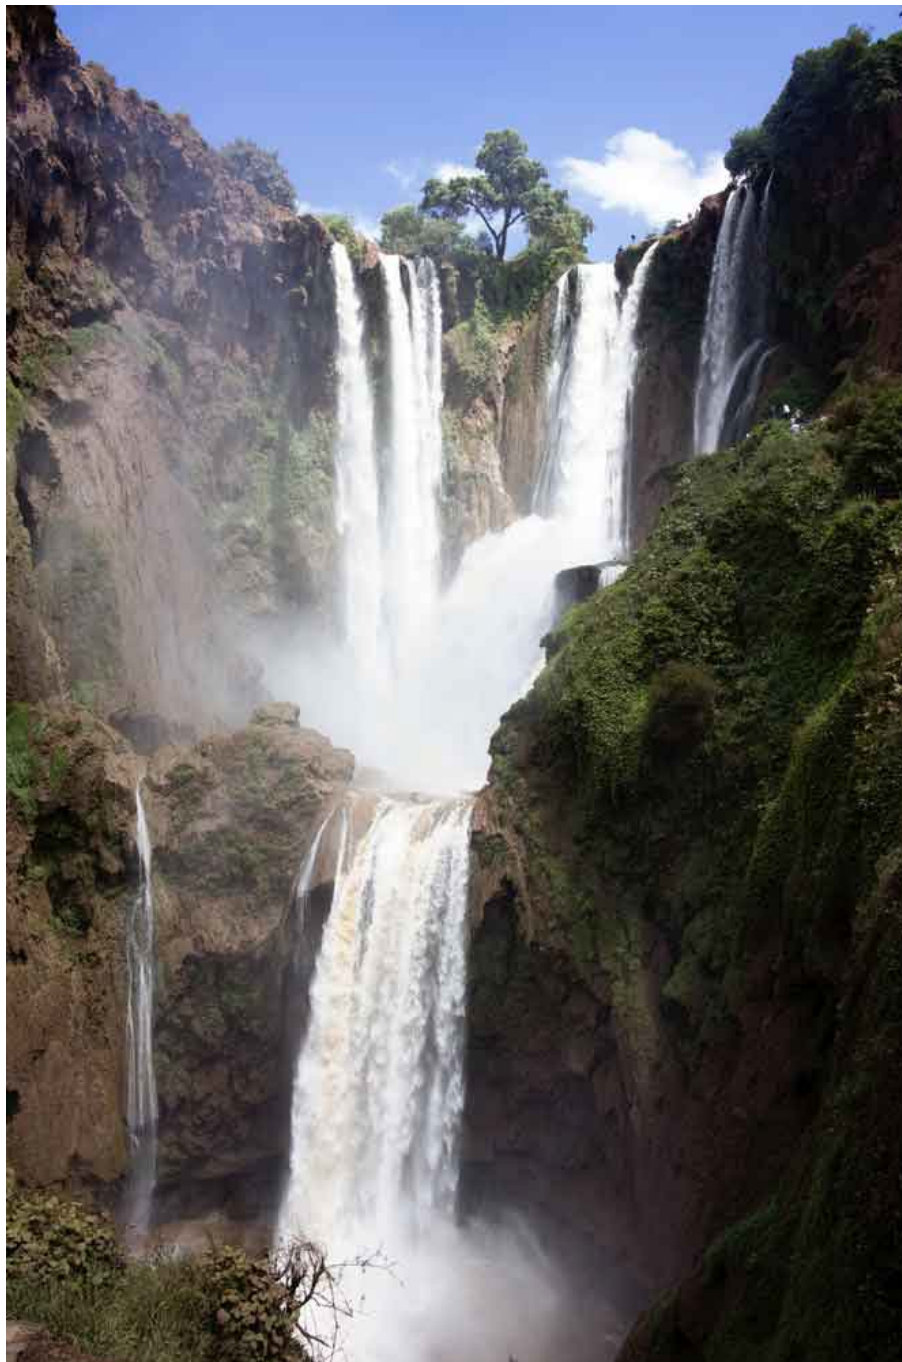

**Or mankind's potential to  
destroy water?**

**Of course, we have the  
ability to conserve and  
protect our water!**

**What do you imagine when  
thinking of water in it's  
best state?**
